

19 May 2020

Dear Parents/Carers

Livestream Parent and Carer Information Evening - Thursday 21 May 2020 from 5:00pm – 6:00pm

Members of our school community will no doubt be aware of the news that came through television news broadcasts that all students will be returning to school as of Monday 25 May 2020, next week. This will bring an end to the phased return to school which has been in place over the past three school weeks.

Our teachers and administrative staff have been working hard not only to keep our students connected and engaged during the period of flexible off site learning, but also on ways of re engaging students and keeping them safe on their return to school.

With the above in mind, I have been working with our P&C President, Christine Boyd, to provide a Livestream Parent and Carer Information Evening through our Facebook page <https://www.facebook.com/kingscliffhighschool/> on **Thursday 21 May 2020 from 5:00pm to 6:00pm**.

This will not be a formal P&C Meeting, rather an opportunity for parents and carers to find out more about:

- How we will be working with Years 7 to 10 students to reconnect them with face to face teaching
- How we will provide Academic Progress reports for Years 7 to 10 students this Semester
- Changes at Kingscliff High School to ensure student safety
- The latest on our infrastructure upgrade

Parents and carers will also have the opportunity to submit any questions relating to the above by emailing the school at: kingscliff-h.school@det.nsw.edu.au

Emailed questions will be received up until 2:00pm on Thursday 21 May 2020. We will try to work through as many questions as possible during the information evening. There will also be an opportunity to submit questions during the Livestream which we may be able to address if time allows.

I hope as many families as possible join us in our latest foray into socially distanced on line communication.

Yours sincerely

Michael Hensley
Principal
